Special Business

To consider and if thought fit, pass the following resolution which will be proposed as an ordinary resolution:

13. THAT the directors be generally and unconditionally authorised pursuant to and in accordance with section 551 of the Companies Act 2006 (the 'Act') to exercise all the powers of the Company to allot shares in the Company and to grant rights to subscribe for, or to convert any security into, shares in the Company:
 - (a) up to a maximum nominal amount of £5,139,425 (such amount to be reduced by any allotments or grants made under paragraph (b) below in excess of such sum); and
 - (b) comprising equity securities (within the meaning of section 560 of the Act) up to a maximum nominal amount of £10,278,850 (such amount to be reduced by any allotments made under paragraph (a) above) in connection with an offer by way of a rights issue:
 - (i) to ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings; and
 - (ii) to holders of other equity securities as required by the rights of those securities or as the directors otherwise consider necessary,

and so that the directors may impose any limits or restrictions and make any arrangements which they consider necessary or appropriate to deal with any treasury shares, fractional entitlements, record dates, legal, regulatory or practical problems in, or under the laws of, any territory or any other matter.

The authorities conferred on the directors under paragraphs (a) and (b) above shall apply in substitution for all pre-existing authorities under that section and shall expire at the conclusion of the next Annual General Meeting of the Company or 15 months after the passing of this resolution whichever is sooner, unless previously revoked or varied by the Company, and such authority shall extend to the making before such expiry of an offer or an agreement that would or might require equity securities to be allotted after such expiry, and the directors may allot shares in the Company and grant rights to subscribe for, or to convert any security into, shares in the Company in pursuance of that offer or agreement as if the authority conferred hereby had not expired.

To consider and if thought fit, pass the following resolutions which will be proposed as special resolutions:

14. THAT if Resolution 13 above is passed, and in place of all existing powers, the directors be authorised to allot equity securities (as defined in the Companies Act 2006 (the 'Act')) for cash under the authority given by that resolution and/or to sell ordinary shares held by the Company as treasury shares for cash as if section 561 of the Act did not apply to any such allotment or sale, such authority to be limited to:
 - (a) the allotment of equity securities or sale of treasury shares in connection with an offer of, or invitation to apply for, equity securities (but in the case of the authority granted under paragraph (b) of Resolution 13, by way of a rights issue only):
 - (i) to ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings; and

- (ii) to holders of other equity securities as required by the rights of those securities or as the directors otherwise consider necessary,

and so that the directors may impose any limits or restrictions and make any arrangements which they consider necessary or appropriate to deal with any treasury shares, fractional entitlements, record dates, legal, regulatory or practical problems in, or under the laws of, any territory or any other matter; and

- (b) in the case of the allotment of equity securities and/or sale of treasury shares (otherwise than under paragraph (a) above) up to an aggregate nominal amount of £770,913;

such authority to expire at the conclusion of the next Annual General Meeting of the Company (or, if earlier, at the close of business on 11 March 2022) but, in each case, prior to its expiry the Company may make offers and enter into agreements which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the directors may allot equity securities (and sell treasury shares) under any such offer or agreement as if authority had not expired.

15. THAT if Resolution 13 is passed, the directors be authorised in addition to any authority granted under Resolution 14 to allot equity securities (as defined in the Companies Act 2006 (the 'Act')) for cash under the authority given by that resolution and/or to sell ordinary shares held by the Company as treasury shares for cash as if section 561 of the Act did not apply to any such allotment or sale, such authority to be:

- (i) limited to the allotment of equity securities or sale of treasury shares up to a nominal amount of £770,913; and
- (ii) used only for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the Board of the Company determines to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice,

such authority to expire at the conclusion of the next Annual General Meeting of the Company (or, if earlier, at the close of business on 11 March 2022) but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the directors may allot equity securities (and sell treasury shares) under any such offer or agreement as if authority had not expired.

16. THAT the Company be generally and unconditionally authorised for the purposes of section 701 of the Companies Act 2006 (the 'Act') to purchase ordinary shares in the capital of the Company by way of one or more market purchases (within the meaning of section 693 of the Act) on such terms and in such manner as the directors may determine subject to the following conditions:

- (a) the maximum number of ordinary shares hereby authorised to be purchased is 12,334,620 shares, being approximately 10% of the ordinary shares in issue;
- (b) the minimum price (exclusive of expenses) is 12.5p per share;
- (c) the maximum price (exclusive of expenses) at which ordinary shares may be purchased shall not exceed (i) an amount equal to 105% of the average of the middle market quotations derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the date on which the ordinary shares are contracted to be purchased, and (ii) an amount equal to the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share as derived from the London Stock Exchange trading system, in both cases exclusive of expenses,

unless previously renewed, varied or revoked, the authority to purchase conferred by this resolution shall expire at the conclusion of the next Annual General Meeting of the Company or, if earlier, 15 months after the passing of this resolution provided that any contract for the purchase of any shares, as aforesaid, which was concluded before the expiry of the said authority may be executed wholly or partly after the said authority expires and the relevant shares purchased pursuant thereto.

17. THAT the Directors be authorised to call general meetings (other than an Annual General Meeting) on not less than 14 clear days' notice.
18. THAT the articles of association produced to the meeting be adopted as the articles of association of the Company in substitution for, and to the exclusion of, the existing articles of association.

Explanatory Notes to the Resolutions

Ordinary resolutions

These resolutions require more than 50% of votes cast to be cast in favour in order to be passed.

Special resolutions

These resolutions require at least 75% of votes cast to be cast in favour in order to be passed.

Ordinary business

Resolution 1 – To receive the accounts for the year ended 31 July 2020, together with the reports of the directors and auditors thereon

Under section 437 of the Companies Act 2006, the directors must present the reports of the directors and the accounts of the Company for the year ended 31 July 2020 to the shareholders at the meeting. This is an ordinary resolution and the Board asks that the shareholders receive the reports and accounts.

Resolution 2 – To approve the Remuneration Report

This is an ordinary resolution, which is advisory only and seeks shareholder approval to the Remuneration Report, excluding the Directors' Remuneration Policy.

Resolution 3 – To approve the Directors' Remuneration Policy

The Directors' Remuneration Policy is set out on pages 84 to 92 of the Annual Report and Accounts for the year ended 31 July 2020. It sets out the Company's policy on remuneration and potential payments to directors going forward. An ordinary resolution is required under section 439A of the Companies Act 2006 to approve the policy and if approved, the policy will be effective from the date of the AGM and the Company can only make payments to its directors in accordance with this approved policy.

The policy is required to be presented to shareholders at least every three years, and with the current policy having been approved at the 2017 AGM, the resolution for approval is included in accordance with the legislation at the 2020 AGM. Ordinarily the Committee would have undertaken an in depth review of the policy prior to this, however, given the extraordinary circumstances due to the COVID pandemic, the Board considered that this should be delayed to ensure that the significant time involved did not detract from the task of guiding the company through this period. As such, it is the Committee's intention to undertake the in depth review of the Policy over the coming year and it is therefore expected that an updated policy will be presented at the 2021 AGM.

Resolution 4 – To declare a final dividend of 50.0p per ordinary 12.5p share for the year ended 31 July 2020

Pursuant to the Board's recommendation, this is an ordinary resolution to declare a final dividend of 50.0p per 12.5p ordinary share for the year ended 31 July 2020.

Resolutions 5 to 10 – To approve the re-election or election of the existing directors of the Company

The Articles require one third of the directors to retire and submit themselves for re-election. The Board has, however, adopted the provision in the UK Corporate Governance Code whereby all of the directors are subject to annual re-election. Therefore all of the directors will retire and offer themselves for re-election or election as appropriate. These are ordinary resolutions to approve their re-election or election.

The Board is content that each non-executive director proposed for re-election or election is independent for the purposes of the UK Corporate Governance Code and there are no relationships or circumstances likely to affect their character or judgement. Biographical details of each of the directors can be found on pages 52 and 53 of the Annual Report and Accounts for the year ended 31 July 2020. Following formal rigorous evaluation of all of the directors, the Chairman, acting on behalf of the Board, is satisfied as to the effectiveness and commitment of all of the directors.

Resolution 11 – To appoint EY as the auditor of the Company

Resolution 11 relates to the appointment of Ernst & Young LLP, as the Company's Auditor to hold office until the next annual general meeting of the Company. In line with the requirements for rotation of auditors of FTSE 350 companies, Bellway concluded the tender process to replace KPMG LLP.

The Audit Committee recommended to the Board two choices for external Auditor, with a reasoned preference that Ernst & Young LLP be appointed as external Auditor for the 2020 financial year.

The Company's current auditor, KPMG LLP has deposited with the Company a statement of the circumstances connected with its ceasing to hold office confirming that there are no matters that need to be brought to the attention of members or creditors of the Company for the purposes of Section 519 of the Companies Act 2006. A copy of this statement is included as Appendix 1 to this notice.

Resolution 12 – To authorise the Audit Committee on behalf of the Board to agree the remuneration of the auditors

This is an ordinary resolution to authorise the Audit Committee on behalf of the Board to agree the remuneration of the auditors.

Special Business

Six resolutions will be proposed as special business. The effect of these resolutions is as follows:

Resolution 13 – Authority to directors to allot shares

This is an ordinary resolution which authorises the directors to allot ordinary shares up to an aggregate nominal value of £10,278,850, which is equivalent to approximately two-thirds of the Company's issued ordinary share capital, as at 19 October 2020, of which half (being ordinary shares up to a nominal value of £5,139,425), representing approximately one-third of the Company's issued share capital, as at 19 October 2020, may only be allotted in connection with a rights issue. Such authority, if granted, will expire at the conclusion of the next AGM of the Company. As at 19 October 2020, the Company held no shares as treasury shares. At present, the directors only intend to use this authority to satisfy the exercise of awards under the Company's share schemes. The directors wish to obtain the necessary authority from shareholders so that allotments can be made (if required and if suitable market conditions arise) at short notice and without the need to convene a general meeting of the Company which would be both costly and time consuming.

Resolutions 14 and 15 – Disapplication of pre-emption rights

These are special resolutions, in substitution for the authority granted to the directors by shareholders on 10 December 2019, which expires at the conclusion of the forthcoming AGM, that shareholders empower the directors to allot ordinary shares for cash without first offering them pro-rata to existing shareholders, as would otherwise be required by section 561 of the Companies Act 2006 (a) in connection with a rights issue or other pre-emptive offer and (b) (otherwise than in connection with a rights issue or other pre-emptive offer) by Resolution 14 up to an aggregate nominal value of £770,913, being approximately 5% of the issued ordinary share capital of the Company as at 19 October 2020, and by Resolution 15 up to a further aggregate nominal value of £770,913, being approximately 5% of the issued ordinary share capital of the Company as at 19 October 2020. If both resolutions are approved, the total aggregate nominal value of ordinary shares which may be allotted for cash without first offering them pro-rata to existing shareholders would be £1,541,827, being approximately 10% of the issued ordinary share capital of the Company as at 19 October 2020.

These disapplication authorities are in line with institutional shareholder guidance and in particular with the Pre-emption Group's Statement of Principles (the 'Pre-emption Principles'). The Pre-emption Principles were revised in 2015 to allow the authority for an issue of shares for cash otherwise than in connection with a pre-emptive offer to be increased from 5% to 10% of the Company's issued share capital, provided that the Company confirms that it intends to use the additional 5% authority only in connection with an acquisition or specified capital investment. The Board therefore confirms, in accordance with the Pre-emption Principles, that to the extent of the authority in Resolution 15, it intends that this will only be used in connection with an acquisition or specified capital investment, which is announced contemporaneously with the issue, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue.

The renewed authorities will expire at the conclusion of the 2021 AGM or at the close of business on 11 March 2022 whichever is the sooner.

The directors have no present intention of exercising the authority in Resolution 14 or in Resolution 15, but consider it prudent to obtain the flexibility that this authority provides.

In accordance with the Pre-emption Principles, the directors confirm their intention not to issue more than 7.5% of the Company's issued share capital for cash, on a non pre-emptive basis, in any rolling three-year period without prior consultation with shareholders, save for shares issued in respect of an acquisition or specified capital investment, as described above.

Resolution 16 – Company's purchase of its own shares

The Company's authority to purchase its own ordinary shares, given at the last AGM, expires at the conclusion of the forthcoming AGM. The directors propose, as a special resolution, that it should be renewed for a further year to expire on the date of the next AGM. The directors will review opportunities to use this authority in light of stock market conditions and trading opportunities during the year. The directors will only make purchases (which will reduce the number of shares in issue) after paying due attention to the effect on the financing of the Group, its assets and earnings per share for the remaining shareholders. Any shares purchased under this authority may be cancelled (in which case the number of shares in issue will be reduced accordingly) or may be held in treasury.

At 19 October 2020 there were options outstanding over 640,461 ordinary shares, representing 0.52% of the Company's issued ordinary share capital. This includes 237,870 (0.71%) outstanding PSP awards which will be satisfied from shares held in trust rather than by the issue of new shares.

If the authority given by this resolution were to be fully used, these would represent 0.58% of the Company's issued ordinary share capital. There are no warrants outstanding. Details of any substantial shareholders holding more than 10% of the Company's issued ordinary share capital are included in the 'Major interests in shares' table on page 94 of the Annual Report.

Resolution 17 – Length of notice of meeting

Shareholder approval for the holding of general meetings of the Company, other than an AGM, on 14 days' notice, given at the last AGM, expires at the conclusion of the forthcoming AGM. The directors propose, as a special resolution, that it should be renewed for further year to expire on the date of next year's AGM. There is no current intention to use this authority and the Company will only consider using this authority where it is considered that this would be for the benefit of shareholders as a whole.

Resolution 18 – Articles of Association

The Company proposes adopting the New Articles, reflecting various changes required as a result of the impact of COVID-19 principally permitting General Meetings to be held virtually, at the Annual General Meeting. An explanation of the principal differences between the New Articles and the existing Articles of Association is set out in Appendix 2 to this notice. Other minor clarification changes are not described.

Given Government advice in light of COVID-19, copies of the New Articles, and of the existing Articles of Association marked up to show all proposed changes in the New Articles, will not be available for inspection in person at the registered office of the Company. If you wish to review any of these documents, please send an email to investor.queries@bellway.co.uk to request a copy. Responses will be provided as soon as possible during normal business hours Monday to Friday, excluding bank holidays.

Recommendation

The directors consider each of the resolutions set out in the Notice of AGM to be in the best interests of the Company and its shareholders as a whole, accordingly they recommend voting in favour of the resolutions as they intend to do in respect of their own beneficial shareholdings.

Dear Directors

Statement to Bellway p.l.c. (no. 01372603) on ceasing to hold office as auditors pursuant to section 519 of the Companies Act 2006.

The reason connected with our ceasing to hold office is the result of the Company holding a competitive tender for the audit, in which we were not invited to participate due to upcoming mandatory auditor rotation requirements.

Appendix 2

Summary of the principal proposed changes to Existing Articles

The Company's existing Articles of Association were last amended on 15 January 2010 (the "Existing Articles"). It is proposed in Resolution 18 of the Notice of Annual General Meeting to adopt the New Articles. In adopting the New Articles, the opportunity has been taken to update the Existing Articles to reflect changes to the market and industry practice in light of the impact of COVID-19 and to provide additional flexibility to the Existing Articles. The substantive changes being proposed in the New Articles are summarised below.

A copy of the New Articles and a copy of the Existing Articles marked up to show all proposed changes are available for inspection, as set out in the explanatory note in respect of Resolution 18 in the Notice of Annual General Meeting.

Save as for otherwise stated, all clause references below relate to clause references in the New Articles.

General meetings – procedure

In light of COVID-19, many traded companies have been required to consider the processes in place and the impact on general meetings. The Directors have reviewed the Existing Articles and consider it prudent to update the Existing Articles to clarify certain procedural matters relating to general meetings. The Existing Articles permit the Company to hold general meetings at one principal place.

The proposed amendments to the Existing Articles include:

- (a) permitting the Company to hold general meetings at one principal place plus one or more satellite places, or for the general meeting to be held in 'hybrid' form (meaning at one or more physical places plus with facilities allowing members to be present and to vote electronically);
- (b) permitting electronic attendance by the members of the Company and setting out the basis on which this can be proposed and established in any hybrid meeting (for example articles 2, 48, 51, 52 and articles 68 to 73);
- (c) clarifying the electronic transmission of various document for circulation and approval in electronic form;
- (d) consequential amendments have been proposed permitting the Directors to move, postpone or adjourn meetings (article 59 and 71), including relating to the chair's power to adjourn meetings (article 53.1); and
- (e) ensuring that the Directors have the powers to and may make arrangements to secure the health of participants at meetings (article 58).
